

ACT Playtime Group

Our Playtime Group is a great play based social skills class offered to children on the autism spectrum ages 2-5 years old.

Sessions will be structured around a fun central theme each week and will include a snack.

Our Behavioral Therapists will incorporate stories, downtime play, games, and art projects each session focusing on a wide variety of beginning learner social skills in a captivating and natural way.

Sessions run an hour and a half long and our rates are \$35 a session.

Sessions will be every Tuesdays at 9:30am starting September 27th, 2011

Located inside of Communication Innovations at 2990 Cahill Main
