

Our Social Skills Class is offered to children 8-14 years old. We attend outings in the community focusing on appropriate social behaviors, problem solving, interactions, expectations, following directions and safety precautions. Our class rates are \$40 a session. There may be additional costs of around \$10 on average for some events. Examples of events planned this fall include a bus ride to State Street, dinner at a restaurant, bowling, and a visit to a pumpkin patch. Information about outing will be communicated to parents prior to each class. Our classes meet in the Community with every third meeting at our office located inside of Communication Innovations at 2990 Cahill Main, Madison, WI.
